Employee contribution threshold revised: Beginning July 1, 2019

- Employee contribution rates have not been changed, only the threshold between making higher and lower employee contributions has changed. Where the salary was threshold was previously at $20,000, it will change to $24,000 beginning July 1, 2019.

- A member whose annual salary is $24,000 or less will make employee contributions of 7.9% beginning July 1, 2019.

- Those members whose annual salary is greater than $24,000 will make employee contributions of 10.7% beginning July 1, 2019.
